

CE Childcare (CEC) Programme

The Community Employment Childcare (CEC) Programme

In Budget 2014 it was announced that the Childcare Education and Training Support (CETS) Programme was being expanded from 1 January 2014 to include Community Employment (CE) participants. In July 2014 this Programme was renamed the Community Employment Childcare (CEC) Programme and broadened to include children up to 13 years of age.

Am I eligible for CE Childcare?

A CE applicant who needs childcare in order to take up a place on a CE scheme is eligible for a childcare place.

Note

Where a child(ren) of a CE participant is participating in ECCE during the same time as the CE Programme (for example morning or afternoon), that child cannot transfer to a CE Childcare (CEC) place.

However if a parent is participating on CE on an alternative time of day to the child's ECCE programme the parent can also avail of CE Childcare for the time of day they are participating on CE.

How do I secure a CE Childcare place?

1. The CE sponsor will tell you about the CE Childcare (CEC) programme and give you a list of childcare providers participating in the programme.
2. You should then contact a childcare provider in your area to book a CE childcare place. You can use your letter of offer of a CE place to do this.
3. If you are already on CE your sponsor will give you a letter stating this.
4. The childcare provider will accept your letter and offer you a place, if there are places available.
